

Kings Heath Demolition Ltd

RECYCLING FOR THE FUTURE

Health & Safety Policy Statement

Kings Heath Demolition Limited holds Health and Safety as a core business value and is committed to creating a future free of incidents and injuries.

It is policy of King Heath Demolition Limited to comply in all aspects with the Health & Safety at work etc Act 1974 together with any other applicable statutory requirements, legislation, regulations and directives. All reasonably practicable measures will be taken to ensure the safety and continued well-being of our employees and any other person who may be affected by what we do. Furthermore, it is our policy to ensure that:

- Managers and operatives regard Health and Safety matters as a principal responsibility.
- Leadership, passion and commitment are present at all levels.
- Working Safely enhances Quality, improves Productivity and generates value.
- Good standards of training, information and instruction in matters relating to Health and Safety are provide and maintained.
- Injury and illness to its employees, and any person affected by our works, shall be prevented.
- The performance of the company with respect to health and safety shall be monitored and reviewed.
- Our commitment to Health, Safety and the environment contributes to our target of being the demolition contractor of first choice.

Its our objective to reduce accident and incident statistics on a year-by-year basis through the company's commitment to continual improvement of its management systems, procedures and methods of operation.

The named Director has particular responsibilities for Health and Safety, and to ensure the company has adequate resources to achieve its objectives.

The Health and Safety policy has been communicated throughout the organisation by means of the documented procedures. These include inclusion in site document packs, the display on notice boards and detailing in staff and site induction.

Ultimate responsibility for the Health and Safety System is that of the designated Director but its application is the responsibility of everyone in the company. It is the responsibility of the company to provide adequate and appropriate resources to implement this policy.

Signed :

John Smith
Director
